SUMMARY OF THE REASONS FOR DECISION:

The video slick entitled *Teenage Perversions Volume 2* is classified as :
Objectionable.

This video slick promotes and supports the exploitation of young persons for sexual purposes; and promotes and supports the use of urine in association with sexual conduct, and the use of excrement in association with degrading conduct and sexual conduct.

The video slick contains several sexual references to teenage girls, including that in the title (*Teenage Perversions*). These reinforce the sexually explicit photographs of young-looking women on the front and back cover and spine, strongly implying that teenage girls are viable objects of adult sexual desire.

The slick also contains textual references to 'pissing' and 'shitting', along with photographs of women urinating and defecating. The photographs are placed in a clearly sexual context.

Section 14 of the New Zealand Bill of Rights Act 1990 (the NZBR Act) protects the freedom to seek, receive, and impart information and opinions of any kind in any form. However, this video slick falls under one of the deeming provisions of the Films, Videos, and Publications Classification Act 1993 (the FVPC Act). The deeming provisions of the FVPC Act override s14 of the NZBR Act.
